Subject: Regarding Requirement of Management Students for Electro 2023.

Respected Sir/Madam,

We have been organizing the Electronic Telecommunication & Computer Exhibition for the last 22 years. Our SEDA (Solapur Electronics Dealers Association) members are participating in this Mega Exhibition Event. Management Students play a very important role as sales executives in various stalls and all respective stall holders are very faithful towards the student co-operation. This year also the Electro Exhibition will be held on 24th Jan to 30th Jan 2023. We are expecting the same continuous support from your institute. So please provide the management students list who wish to participate in this exhibition as Sales Trainees from your Institute, till 15th Jan 2023

Thank you

Yours faithfully
President seda
