### **Best Practice:**

#### **Foster Values of Social Responsibility among students**

##### **Objective**

- Encourage students to put their knowledge and abilities to good use in the service of others.
- To raise awareness of various social issues among students and encourage them to participate in their solution.
- To empower students to develop as socially responsible citizens.
- To nurture noble values and morals in students

##### **Context:**

One of the objectives of our college is to impart value based education to students. In addition to academic development through curricular and co curricular activities a number of activities are conducted with an objective to inculcate a sense of social responsibility and national belonging among students. In addition to the activities conducted by NSS, NCC Units of the college and different Forums and associations provide a platform to students to engage in activities having social concern and create awareness in terms of their commitment towards the society and thus help them become socially responsible citizens.

##### **Evidence of Success :**

**Active Participation of students in various activities conducted in college by various forum and units of the college to foster ethical and social values to make them responsible members of the society and citizens.**

**Obstacles faced/Problems encountered: Time Management** for extracurricular and outreach activities is a major challenge for students in their routine academic schedule. They find it hard to take off time for these additional activities. Not many students prioritise social work. Not all students wholeheartedly participate in extension and outreach activities. The faculty members take great efforts to motivate students and involve them in activities through coordination between students, faculty and administrative staff, things are being managed. However students express satisfaction after attending these programmes.

## **Best Practice: Initiatives for Women Empowerment-2021-22**

### **Goals and Objectives**

- To provide boundless opportunities for the growth and development of girl students of the institution.
- To encourage leadership for women empowerment initiatives on and off the campus.
- To address issues related to girl students
- To conduct programmes for the holistic development of girl students , including lecture series, self-defense training camps, health awareness camps workshops for personality development and development of entrepreneurship skills

### **Context:**

Empowering women by building confidence their confidence and making them independent and self-supportive is the need of the hour. The college provides a conducive environment for women so HNCC is the most sought after college by girl students. As the college provides a safe and secure environment in the campus, more than 50% of the total students of the college are girls. In the year 2021-22 about 54% of the total numbers of 2598 students are girl students. Women empowerment has been an important issue in the delivery of curriculum as efforts are taken to make girl students competent enough to face the challenges of the society.

### **The Practice**

The College conducts a number of activities to create awareness among women about Gender sensitisation, Gender Equality, Laws for Protection of women etc. Guest Lectures, Health Check up Camps, Competitions Workshops are organised to empower girl students, boost their confidence, develop entrepreneurship skills, make them self dependent and also keep girl students confident, fit and defend themselves.

The Women Empowerment Centre –Hirkani was set with the following goals and objectives:

- To provide boundless opportunities for the growth and development of girl students of the institution.
- To encourage leadership for women empowerment initiatives on and off the campus.
- To address issues related to girl students.
- To conduct programmes for the holistic development of girl students , including lecture series, self-defense training camps, health awareness camps workshops for personality development and development of entrepreneurship skills

Various programs, including guest lectures, yoga lectures workshops for personality development, self defence and development of entrepreneurship skills, are conducted for the holistic development of girl students. These programmes also give an opportunity for the girl students to meet successful women in the various areas of the society

### **Evidence of Success:**

A large number of Girls students participated in the different Initiatives taken by members of Women Empowerment Centre- *Hirkani*.
