❖ ABOUT THE INSTITUTE

Hirachand Nemchand College of Commerce is run by 'Shri Aillak Pannalal Digambar Jain Pathashala, Solapur. Established in 1885, S.A.P.D.J.P. fosters the spirit of 'Shraman Culture' through the ingenious philosophy of '*Shikshan Haach Dharma*'- i.e. Education is Religion. In addition to running various schools and high schools to impart primary and secondary level education, the trust also offers truly global education by providing UG and PG courses in the streams of Arts, Commerce, Science, Education, Engineering, Management, Social Work, Computer Applications, etc.

Hirachand Nemchand College of Commerce, Solapur (Autonomous), affiliated to Punyashlok Ahilyadevi Holkar Solapur University, Solapur, was established on 8th July 1972. The college was conferred autonomous status in the year 2021. The aim of the college is to impart quality education and to develop the students to face challenges of the competitive world. The college offers conventional and professional programmes including B. Com, M. Com, MBA, BBA, and BCA; the vocational section at junior college level and CA-CPT / Foundation Course- Integrated with XI & XII Commerce. In addition, the college also offers certificate courses which aim at developing skill sets necessary to face the challenges of the competitive world.

❖ ABOUT THE SEMINAR

The National Education Policy (NEP) 2020 in India represents a landmark reform in the country's education system. It encompasses a wide range of changes and initiatives which aimed at introducing a transformative vision for the education system. It aims to bring about fundamental changes in the education system to align it with the needs of a rapidly changing world and equip students with the skills and knowledge required for the 21st century. NEP 2020 focuses on development of varied skills by recognizing the importance of practical skills along with theoretical knowledge. In line with this vision of NEP 2020 the seminar aims to focus on upholding the importance of skill based vocational education and suggest strategies to promote skill enhancement amongst students in general and commerce graduates in particular. The role of stakeholders of higher education play a significant role in giving meaning to skill-based education also known as vocational education through integration and mainstreaming with the required skills.

❖ OBJECTIVES OF THE SEMINAR

- To study the role of NEP 2020 in skill enhancement of learners
- To provide a platform to create awareness through discussions on strategies, and initiatives for enhancing skill development and entrepreneurship education in commerce colleges.
- To empower commerce graduates through skill development for enhancing entrepreneurship.
