- **About the Seminar:**

M.B.A. Department conducts an Annual Seminar every year since its establishment. This is an attempt to make the students aware of various topics based on the current issues in the field of Management.

The Corona virus pandemic has impacted every aspect of our life and has changed the pre-existing trends of how we use to work, consume, travel and lead our life. The economic impact on the organization and the country has changed the way of doing business. The impact on social relations and the use of technology have changed the corporate work culture and online meetings, trainings and learning is a new trend. It has changed the dynamics in every sector and has also paved the opportunities for start-up organizations. The new generation of Managerial people needs to be made aware of these changes and have a roundup of some opinions about how the pandemic has changed the work environment and what we think about various aspects of life and work.

Keeping this objective in mind, the HNCC-MBA section is organising its 42<sup>nd</sup> Annual Seminar on the theme ***“Change in Work Environment due to Covid-19”*** on **5<sup>th</sup> June 2021** in **Online Mode** on **Google Meet Platform**.

There will be One Key Note Speaker Session followed by Students' Presentations.
