Best Practices

Best Practice 1

Promoting Value based Education through Curriculum Development and Student Centric activities

Goal:

1. To nurture noble values and morals in students through value based education
2. To encourage students to put their knowledge and abilities to good use
3. To empower students to develop as responsible citizens.

Context:

The institute has been conferred Autonomous status by UGC and PAH Solapur University, Solapur from the academic year 2021-22. . Academic autonomy conferred has given liberty to revise the curriculum in line with our objective to promote value-based education. Teaching and learning can become inherently spontaneous and student-centered when moved from the confines of the classroom into the real world' at large. At HNCC, students are therefore taken beyond classroom boundaries and engaged in a meticulously and carefully planned mix of academics and extra- curricular activities. Value based education to students is imparted through curriculum development, certificate courses, curricular and extention activities In addition to certificate courses, student centric activities are conducted by various platforms and forums for student development,.

Evidence of Success :

A. Curriculum Development

Our curriculum effectively integrates cross-cutting issues relevant to gender, environment and sustainability, human values and professional ethics and leads to a strong value-based holistic development of students. Various activities are organized throughout the year as part of the curriculum that help in this endeavor

Best Practice 2

Focus on Employability and Professional Development Skills

Goal:

- To help students meet requirements of the job market
- To develop the communication skills of students
- To help students become self-confident individuals by developing their interpersonal skills, team management skills and leadership skills.
- To promote entrepreneurship skills among students
- To give first-hand experience of trading to students and instill the marketing skills amongst students

The concept:

To make students competent enough to work in a globally competitive environment, it is important to provide programs that integrate the valuable skills necessary for students to be successful. At HNCC students are given opportunities to develop employability and professional skills to face the challenges of the competitive world. Further, various activities are organized to encourage students to start their own enterprise by making available guidance, infrastructure and basic provisions. **UDYAMSHEEL**---The Entrepreneur Development Cell of the college aims to inculcate entrepreneurial skills amongst students. The Training and Placement Cell of the college aims to expose students to the nature of the corporate world thus providing insights to their future professional careers.

The Practice:

1. Udyamdeep : In order to give first experience of trading to the students to start their own enterprise and to promote entrepreneurship skills among students Udyamdeep—the trade fair was organized just before Diwali festival. Registration of stallholders and their items was done. Provisions for initial startup and setting the stall was made by the college. Each registered group was given a staff of specific dimension in the huge pendal erected for the same. Participants were

asked to prepare a budget statement before and then required to submit profit and loss statement. In this exhibition students were encouraged to set up stalls of clothes, chaddars, pooja material, diwali special items like soaps, scented hair oil, agarbatti, books, diaries, Diwali eatables etc.

2. Kommerze Arena: In order to instill the marketing skills of students a noteworthy activity, Kommerze Arena was started in the year 2015-16. Proposal for food stall are invited by from interested students in groups. What makes this event unique is that students are given opportunity to market their product before the prospective customer, college students. Audio visual media - video clips are used to advertise their product in which the participating group. producing, directing and acted by participating students It was shown to students, the prospective customers. The participants prepare budget estimate for their stall, sell the product and submit their balance sheet at the end of the day. The event participants were required to submit profit loss statement. The group with highest profit was awarded prize. Prizes were also for best stall and innovative product.

Students enthusiastically participate in the competition, in which awards are given for Best Stall, Optimum Profit, Best Marketing and Innovative Product. Stalls serving a variety of mouth-watering food items and mind-boggling nomenclatures attract good response from Present and past students who actively participated in this event.

Evidence of Success: The two events got a tremendous response from students / sellers' side as well as from buyers' side. Different stalls with maximum five students in each stall--- participated in the trade fair. In Kommerze Arena a number of stalls serving variety of mesmerizing food items and staggering nomenclatures attracted large crowd. A large number of students participated in the event in which prizes were given for Best Stall, Highest Profit, Innovative Product and Best Promotion The stalls were visited by large outsiders who appreciated the quality and price of the things and the marketing skills of the students. The profit earned by

students, the learning experience, the videos prepared by students to market and promote their products and the feedback given by visitor in the visitor's book itself is evidence of success.

Udyamdeep:

1. Udyamdeep : In order to give first experience of trading to the students to start their own enterprise and to promote entrepreneurship skills among students Udyamdeep—the trade fair was organized just before Diwali festival. Registration of stallholders and their items was done. Provisions for initial startup and setting the stall was made by the college. Each registered group was given a staff of specific dimension in the huge pendal erected for the same. Participants were asked to prepare a budget statement before and then required to submit profit and loss statement. In this exhibition students were encouraged to set up stalls of clothes, chaddars, pooja material, diwali special items like soaps, scented hair oil, agarbatti, books, diaries, Diwali eatables etc.

Year	No of Stalls	No of Student Participants	Turnover
2022-23	60	300	Approx 10 to 11 lakhs
2019-20	60	300	Approx Rs 5,00,000/-
2018-19	62	300

Kommze Arena:

The College has taken initiatives to create conducive environment for research and innovation. ED, Incubation, and Start up Cell organize various activities such as Competitions, Webinars on Entrepreneurship, Business Ideation Competition and Igniting Young Minds for Startup Ideas Further, programs are arranged to orient Faculty members to create a culture of entrepreneurship in the institute to foster the growth of innovation and entrepreneurship among students.

HNCC Placement Cell:

The **Training and Placement Cell** is an integral part of the HNCC institution. The HNCC management is fully invested in providing sound infrastructure and human resources to maintain the Training and Placement Cell and the resulting opportunities the cell provides to students of the College. The Cell's primary objective is to provide training and placements to college students: organized activities take place throughout the academic year both in the college and the local area. Students are led to take the initiative to develop their attitude in the workplace, soft skills and are given the opportunity to develop technical skills alongside analytical capabilities. The Training and Placement Cell aims to expose students to the nature of the corporate world therefore providing insight to their future professional careers.

Guest Lecture on the topic 'Changing Business Environment and Opportunities in Solapur' by Mr. Anish Sahastrabuddhe on dated 23/12/2022

Obstacles faced/Problems encountered:

Students have good technical or subject knowledge but lack in confidence. Students do not have exposure in curriculum to soft skill training. This is due to lack of affiliation between the industry and the academia for developing job-relevant curriculum.
