Internal Quality Assurance Cell

REPORT-2023-24

Hirachand Nemchand College of Commerce through IQAC focuses on fostering holistic education and professional readiness. Key initiatives include integrating value-based education, implementing outcome-based teaching, and adopting student-centric learning methods like experiential and participative learning. The college emphasizes research, innovation, and knowledge transfer through its Research, ED, and Incubation Cells. Social responsibility is nurtured through extension activities addressing societal issues, while employability is enhanced through skill development, industry exposure, and career counselling

Significant contributions made by IQAC during the current year

1. Promotion on the value-based education through the academic curriculum across all programs
2. Take initiatives to capture the outcome-based education in teaching and learning practices
3. Enhance the teaching learning process through students' centric method such as experiential learning, participative learning, use of analytical skills.
4. Promotion for the research work, innovations, creation and transfer of knowledge through Research cell, ED Cell and incubation Cell.

5. Foster the extension activities in sensitizing students to the social issues for their holistic development
6. Enhance the employability skills and placement of the students through skill enhancement, Industry awareness, career counselling and career progression programs

Promotion on the value-based education through the academic curriculum across all programs

The institution has made consistent efforts to integrate value-based education throughout its academic curriculum, ensuring that students develop a sense of responsibility and commitment toward societal and ethical values.

- **Workshops and Guest Lectures:** The institution organized various sessions such as "Yoga and Mental Health" on 13th January 2024 and "Conservation of Energy Sources" on 16th May 2023 to emphasize physical, mental, and environmental well-being. These sessions aimed to inculcate the importance of sustainable living and personal wellness among students. Approximately 150 students participated in these activities, which were coordinated by the NSS Unit and the Commerce Department.
- **Social Commitment Activities:** As part of its community outreach initiatives, the college signed an MoU with Jaihind Food Bank. Through this collaboration, students, teaching staff, and non-teaching staff collectively donated 460 kg of food grains on 16th February 2024. This activity, involving over 300 participants, not only instilled social responsibility but also sensitized students to the needs of the underprivileged.
- **Cultural Programs:** National and cultural events like "Chhatrapati Shivaji Maharaj Jayanti" on 19th February 2024 and the "Mera Pahila Vote Desh ke Liye" campaign on 14th March 2024 were celebrated to promote patriotism and respect for India's rich heritage. These events, attended by over 200 students, were organized by the Cultural Committee and Electoral Literacy Club.

Our college being conferred Autonomous status since 2021 initiated to the inclusion on value based education into the academic curriculum. This year i.e 2023-24 value added courses were introduced. All the Certificate courses offered helped to align the curriculum with relevant skills and add values to make them ready to face the challenges of the job market and become responsible members of the society. Through these value-added courses, students get an

opportunity for experiential learning and skill development. There are various courses running under the B.Com, M.Com, BBA, BCA and MBA programs address the Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum.

New certificate/ Add on Courses introduced in 2023-24

- Skills for Career Enhancement.
- Soft Skills and Personality Development
- Certificate program in Banking, Finance and Insurance – in collaboration with Bajaj Finserve Ltd. where 83 students were benefited.
- Introduction to Tally
- Import Export procedure and Documentation.
- Introduction to Share Market.
- Bootstrap.
- AWS.
- UI

Take initiatives to capture the outcome-based education in teaching and learning practices

During the year 2023-24, third year syllabus was revised for the programs namely B.Com, BBA, BCA. Also first year syllabus for the programs namely BBA, BCA and B.com were revised as per the NEP 2020 guidelines. During the revision of these syllabus, POs, COs were designed taking into consideration the Outcome Based Education and according to it revise the learning practices.

Outcome-Based Education (OBE) was integrated into teaching and learning practices to ensure that all academic activities were goal-oriented and results-driven.

Aavishkar Research Convention: Held on 15th December 2023, this event provided a platform for undergraduate and postgraduate students to present their innovative ideas through poster and podium presentations. Approximately 60 students participated, and the event was coordinated by the Research and Development Cell.

Student Research Engagement: A total of six students represented the institution at the university and state levels during the Aavishkar Research Convention on 3rd and 4th January 2024. Their participation reinforced the importance of research-based learning and its alignment with OBE principles.

Interactive Workshops: Regular workshops and feedback mechanisms were implemented to design learning objectives that cater to measurable outcomes. A workshop on the National Education Policy (NEP) syllabus structure was conducted on 2nd March 2024 for 100 participants, led by Dr. S. L. Biradar.

Enhance the teaching learning process through students' centric method

In order to enhance teaching learning process, multiple teaching practices are implemented such as team exercise (group exercise for the subjects- Business Statistics, PMOR, Financial Accounting, Financial Management for MBA students; Case study discussion and case presentation by students in all the management subjects, Coaching method/ guidance for Projects for all the programs (BBA, BCA, MBA, M.Com, B.Com); Lab exercises for BCA Students apart from the regular lectures. Student centric activities were also conducted by various units/cells/associations such as Interactive Forum, Commerce Association, Economics Forum, Management Associations-, HNCC Readers Club, HNCC Blog, College Magazine- Hira, Marathi Literary Association, to provide students a platform for value education to develop the writing, reading, speaking and employability skills.
